

VC37

VC37 is both powerful and feature packed and supports the ever popular Intel Pentium 4 processor.

The VC37 has everything! With the powerful Intel 845GL Chipset, supports DDR 226 memory, USB 2.0, ATA100, Onboard Video, Onboard Audio, and 6 USB ports, this microATX Intel solution has outdone the competition!

Hardware Specifications:

Processor

Intel® Pentium® 4 (Socket 478) Processor 400MHz System Data Bus

Chipset

845GL/ICH4

Memory

2 DIMM; up to 2GB

Onboard Audio

Embedded in Chipset with AC-97 Codec on board (6 Channel option)

Onboard LAN

Realteck 8100BL (optional)

Onboard VGA

Embedded in Chipset

Onboard I/O Connectors

COM 1, VGA port

1 Parallel Port

1 PS/2 mouse and keyboard connector

USB X6 (connector on back panel X4, front pin header supporting 2 device)

Front Audio Pin Header, COM2 Pin Header

1 media connector(Line-in, Line-out, Mic-in and Game/MIDI port)

Onboard PCI IDE

2 dual-channeled enhance PCI bus master IDE connectors Support Ultra DMA ATA 33/66/100 devices

Expansion Slots

1 DVO, 3X PCI, 1X CNR

Power Connector

ATX Power Connector

Form Factor

uATX

9.6' X 9.6'
